## **QUOTE OF THE DAY**

“Make a difference about something other than yourselves.” – Toni Morrison

“Distrust all in whom the impulse to punish is powerful.” – Friedrich Nietzsche

“To know nothing is nothing, not to want to know anything likewise, but to be beyond knowing anything, to know you are beyond knowing anything, that is when peace enters in, to the soul of the incurious seeker.” – Samuel Beckett

“If a nation expects to be ignorant and free, in a state of civilization, it expects what never was and never will be.” – Thomas Jefferson

“If we do not learn to sacrifice small differences of opinion, we can never act together. Every man cannot have his way in all things. If his own opinion prevails at some times, he should acquiesce on seeing that of others preponderate at others. Without this mutual disposition we are disjointed individuals, but not a society.” – Thomas Jefferson

“This is not chess. This is not a battle between opposite colors, but of opposite values. Freedom, life and love versus tyranny, death and hatred. This is not chess. But sometimes

things are black and white. Sometimes you have to fight for what you believe. Or you lose it. This is not chess. There are no draws, no compromises in our battle with true evil. It's win or lose. And so we must fight. And so we must win. Slava Ukraini! Glory to Ukraine. Glory to freedom." – Garry Kasparov

"It is the ability to take a joke, not make one, that proves you have a sense of humor." – Max Eastman
